ROYAL TYRRELL MUSEUM

Dear Parents and Campers,

WELCOME TO ENCANAL BADLANDS SCIENCE CAMP. The Royal Tyrrell Museum is owned and operated by Her Majesty the Queen in right of Alberta as represented by the Minister of Culture and Community Spirit. The Museum is committed to providing the best possible Camp experience through our fun and educational programming. The following information will help you become familiar with the Royal Tyrrell Museum and life at EnCana Badlands Science Camp ("Science Camp").

By taking a few moments to review this package, we believe your experience will be greatly enhanced.

Talking to your child now about Science Camp will greatly improve their experience. Let them know that daily routines will vary widely while they are at Science Camp—from an afternoon of action and adventure to a focused day of learning. Please take the time now to discuss expectations with your child and to ensure they approach Camp life with a positive attitude.

Please note Campers are expected to cooperate and become part of a team while at Science Camp. We will share the workload fairly, looking to Campers to accomplish daily tasks like cleaning up dishes, and keeping a tidy living space. This team building and cooperation will make Science Camp a positive experience for everyone. By preparing Campers for what is ahead, you'll ensure Science Camp is a great success.

Thank you for entrusting us with the care of your children.
